9/19; 10/17; 12/19; 2/6;

2/27; 3/27; 5/1, 6/5

“Parents [...] think they are paying for the private lessons and that the group lessons are just recreation periods. So although they make sure that their children attend the private lessons, they often fail to bring them to the group lessons. But the fact is that what the children enjoy most is the group playing. The influence is enormous and is marvelous for their training.”
Shinichi Suzuki (1898-1998)
